A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. GILCHREST:

Page 4, strike line 19 and all that follows through page 5, line 14, and insert the following:

(4) by amending paragraph (21) to read as follows:

“(21) The term ‘optimum’, when used in reference to the yield from a fishery, means the amount of fish which—

“(A) will provide the greatest overall benefit to the Nation, particularly with respect to food production and recreational opportunities, taking into account the protection of marine ecosystems;

“(B) is prescribed on the basis of the maximum sustainable yield from the fishery, as reduced by an relevant, social, economic, or ecological factor, and

“(C) in the case of an overfished fishery resource, provides for rebuilding of the resource to a level consistent with providing the maximum sustainable yield from the resource.”;
